DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5-12, and 14-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding claim 1, and as persuasively argued in detail on page 7 of the applicant's appeal brief, Flamme (US#5561886) desires a separatable hinge while the admitted prior art (APA) is designed as a weld on hinge that is not separatable. Therefore, one having ordinary skill in the art would find no motivation to combine these two references to attain the applicant's claimed invention. Claims 9 and 17 are allowable for at least the same reason(s).
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
